

LINEN CRASHES

Over 1700 Yards Are Involved in One of the Greatest Sales of Toweling We Ever Conducted

A Linen Toweling sale is always of interest to the manager of every home, and especially so when it includes such high-grade Crashes as in this assortment. These came to this country over eleven months ago, when linen was at least twenty per cent lower than at present. That we are enabled to offer you such a line as this and such a genuine saving in every instance we consider a big opportunity. Without a doubt another such a chance will not come to you in many months. See them at the Domestic counter, where they are displayed.
